School SEND Coffee Mornings/Afternoons

The Telford Children's Autism Hub and Telford SENDIASS offer valuable resources to families who have children with special educational needs and disabilities (SEND) and Autism. We attend School SEND coffee mornings to connect with other families and so they can gain a better understanding of their child's needs and how to best support them. Additionally, families can build relationships with other families, creating a supportive network that can be a source of encouragement and advice.

If you would like us to attend your SEND coffee mornings/afternoons, please email the teams on:

childrensautism@tandwcvcs.org.uk
